

“We registered our whole family – their health is my priority.”

“If I get injured, a doctor can find my history easily.”

“I don't have to rely on my memory for my medications thanks to *My eHealth Record*.”

There is a new and secure way for healthcare providers to access your medical history

My eHealth Record is a way for your healthcare providers to securely store and share your important healthcare information. Your medical history is easily and quickly available when needed for your ongoing care. *My eHealth Record* is voluntary and free, all you need to do is register.

Connecting my health information

To find out more go to: www.myhealthrecord.com.au or call 1800 619 411

My eHealth Record is operated by eHealthNT, Northern Territory Department of Health in collaboration with the Aboriginal Medical Services Alliance Northern Territory, General Practice Network NT, Aboriginal Health Council of South Australia, WA Country Health Service and Western Australia Department of Health. Developed with financial assistance from the Australian Government Department of Health and Ageing.
